

a simple cup of coffee.

*if you've ever turned to one of these
to get you through a late night
and perhaps a morning
you are fully
aware*

that

coffee

*is the
work*

of the

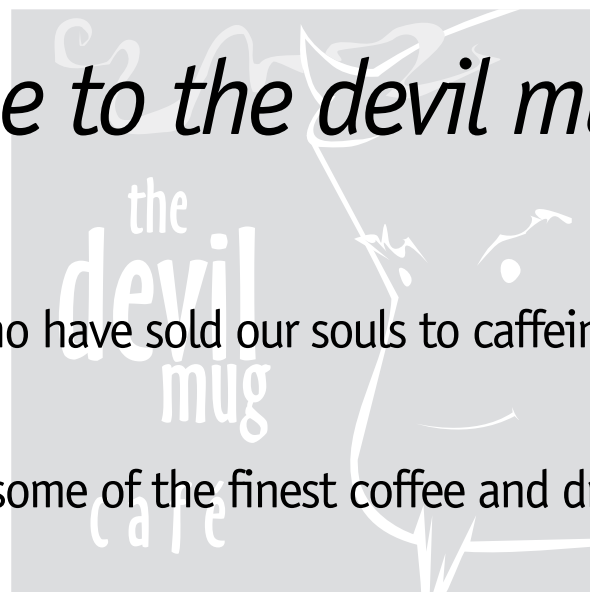

D E V I L .

(but it's not all bad.)

welcome to the devil mug café,

a refuge for those of us who have sold our souls to caffeine and lived to tell about it.

an opportunity to sample some of the finest coffee and drinks the world has to offer.

relax, fill your mug, and enjoy.
